[illegible]

A hand-drawn sketch of a geological cross-section. The sketch shows a horizontal line representing a boundary, with several irregular shapes above and below it. Labels include '17', '17'', '18', '19', '20', '22', '26', '27', 'FLG 14', and 'Grey'. The word 'Grey' is written in a stylized font. The numbers are placed near the corresponding features in the sketch.

A hand-drawn diagram of a bent beam. The beam is shown in a cross-section, with a central vertical axis. Three points are marked along the top surface of the beam:  $2I$  on the left,  $2I'$  in the middle, and  $2I''$  on the right. The beam is bent upwards, forming a V-shape. Below the diagram, the text "Fla 6 b" is written.
